*Thursday, September 29<sup>th</sup>, 2011*

*6:00 pm - 8:00 pm*

*at*

*Consulate General of Grenada, 439 University Avenue, Suite 930, Toronto*

*“The story of a young man’s struggle to rise above the poverty he is born into and his efforts to break out of the confining boundaries of education and religion in pre-independent Grenada.”*

*“The Shadow of the Leader is also a serious work—a fictional exploration of the events and characters that have shaped the modern history of Grenada and an uplifting homage to the poor, working mothers of the 1950s who invested their lives in their children’s future, and so made the emergence of a whole generation of leaders and achievers possible. Above all, it is a story of resilience and overcoming.”*
